

# **YARD SUPERVISOR/FORKLIFT OPERATIVE**

**Henstridge - Somerset**

**Events Crew are looking for an organised, reliable, motivated, and physically fit Yard Supervisor/Forklift Operative to join our busy team.**

## **About Us**

Events Crew Ltd are an event management company based in Somerset. We provide professional event support for several prestigious clients throughout the UK and Ireland. This includes event infrastructure and experienced site crew to provide a one stop event solution to the event organiser.

We are looking for a Yard Operative to take responsibility for managing our stocks of temporary fencing & general yard duties. You should be an experienced telehandler operator who can work under pressure in a busy environment.

Do you have the following skills we require?

### **Essential Criteria:**

- Experienced telehandler/Forklift operator
- Enjoy working under pressure and to tight deadlines whilst maintaining strict safety standards
- Able to communicate effectively with colleagues at all levels
- Check incoming materials, equipment and supplies against delivery & collection notes. Assign materials to the correct yard location. Record materials leaving the yard
- Flexible and able to lend hand to different tasks when required
- Be able to prioritise and take instruction from numerous people
- Be self-motivated and able to work with minimal supervision
- Health and safety conscious with good attention to detail
- Practical experience and are comfortable with working outdoors
- You must have a positive attitude and a willingness to work hard
- Able to communicate effectively and work well in a team
- Hold a full UK Driving License

### **Desirable Criteria:**

- Previous experience of working in the events industry

### **Employment**

The position is full time Monday to Friday with occasional weekend work.

Hours of work will be 07:30 to 17:30hrs with flexibility as later finishes will be required at peak times.

## **Duties**

Typically can include but are not limited to;

- Unloading and loading of stock
- Counting and monitoring stock levels
- Tidying storage areas
- Reporting on stock taken
- Management of stock levels
- Ordering depleted stock through the appropriate channels
- Carry out various general labouring roles as required.

## **Benefits**

There are many benefits to working for Events Crew, some of which include;

- A competitive rate of pay
- Predominantly outside in the summer, inside in the winter.
- Responsibility for area of supervision
- Management of stock of large financial value
- Work within a friendly and successful team
- Inclusion in the workplace pension
- Interesting and varied work – no two days are the same

## **Applications**

To apply please complete our application form
